Text2Hire™

nexxt

Two ways to connect with high demand candidates where they're most engaged

Only 14% of the workforce is actively looking for a job, but the majority of professionals are open to new opportunities. Text recruiting gives you a powerful way to reach high-quality candidates who may not find your job on their own.
Source: A May 2017 survey of 629 professionals commissioned by Nexxt.

Text2Hire™ Blast or Conversation:

Choose the Text2Hire option that fits your hiring goals.
Both give you instant access to the people you want to hire, on the device that's already right in their hands.
